## June 6 - 9: Cruisin' into Summer

Buckle up as we cruise into summer! Cars and planes! Boats and trains! We'll explore different ways to cruise around through engineering, art, and movement. Children will have the opportunity to bring their ride on toys, and we'll eat some "wheely" yummy snacks. What better way to end our week than with a trip down a water slide!

## June 27 – June 30: Stars, Stripes, & Smiles

Red, white, and blue, we love you! Let's get ready to celebrate America this week at camp. We'll have fun with friends playing some traditional summertime games, eating traditional summertime treats like watermelon and s'mores, and we'll finish our week with a barbecue celebration!

## July 11 - 14: Born to be Wild

There's a rumble in the jungle! Get ready for a roarin' good time as we go on an animal-filled adventure! Animal crafts, stories, music, and movement will inspire our interest in all things wild. We hope to end our week with a visit from some local animal friends!

## July 25 – 28: Rainbows Rock!

Let's explore the amazing world of color! From mixing colors to making rainbows, this week is sure to color your world-a little bit of science, a little bit of art and a whole lot of fun!
